In addition to late penalties and interest, collection fees may be assessed.

- In the event that a renewal application package is not postmarked within the renewal period, does not include the Surety Instrument or “Notice of Continuation Certificate”, is not complete or contains invalid information, disposal shall be provided on a cash basis only. Packages postmarked after the renewal period that are incomplete or require special handling and processing will be subject to fees. Fees will be imposed for all costs related to extra processing and subject to an additional charge of \$10 per day for each day the package is delayed. In the event the complete renewal application package and fees owed is not received by June 30, 2006, the DPA will be closed. Landfill services will be available on a cash basis **and another DPA can not be opened in its place until the next renewal period (May 1, 2007 through June 15, 2007) and payment of any outstanding balance is satisfied.**
- DPA are monitored periodically to ensure that account holders are maintaining the minimum levels of landfill usage required to maintain a DPA, which is \$1,000 in landfill disposal fees covering a timeframe of three months and \$4,000 per year. DPA may be closed if not in compliance with minimum required usage.
